RE: Status of Promoter Investigation

Dear Mr. Hart:

I am currently reviewing your book "Constitutional Income, Do You Have Any?" The concern is that you may be promoting frivolous tax arguments. After a thorough review of your book, I plan to respond to your request for additional information regarding this investigation.

I apologize for the delay. I must work on the review of your book around other work priorities. Please give me a call if you have any questions.

Thank you for your cooperation.

Sincerely yours,
